partial::Conf

About the conference

Partial is a conference about modern functional programming languages and technologies for the web. Think **Erlang**, **Elixir**, **Clojure**, **ClojureScript**, **Haskell**, **Elm**, **PureScript**, **F#**, **React** and many more. It's a conference that can get you outside your comfort zone and let you learn something new.

Speakers and content

We strive to deliver diverse content and inspire developers to share ideas and knowledge. Partial is dedicated to all lambda-related technologies.

This year's lineup includes:

- Peter Kostov – **Lesson learned by 4 years of F# in production**
- Ilona Demidenko – **Conversational Sign Up with Chatbot-like experience with React and Redux**
- Nikolay Tsvetinov – **The Rise Of The Functions**
- Kiko Fernandez – **Building a compiler: it is all about monads**
- Radoslav Kirov – **What types of types does TypeScript have?**
- Krasimir Tsonev – **React is a LIE!**
- Andon Sikavica – **Managing Application State "the Functional Way"**
- Lisa Passing – **Functional Rust - An Exploration**
- Konstantin Zolotarev – **Making a smart car with Elixir and nerves**

FAQ

Do I have to provide the banners and roll-up posters?

In packages that include banners and handouts, our team will be handling everything regarding the banner material (printing, setup). Of course, we expect you to provide for the artwork (logos, graphics, etc.) that may be needed. The cost of the banners is included in the package price.

Do I have to provide my own stand for the sponsors hall?

The exhibit space is a large table (2×2m), provided by us.

Do the prices include VAT?

The prices do not include VAT, which will be added where applicable.

Do you have any ohter sponsorship options?

We will make sure you get the best out of your investment, so we are open to discuss other opportunities and bespoke packages.
